## EXPERIENCE

### Colorvision

I have been working tirelessly to develop my skills in graphic UI design, with a particular focus on Colorvision. I work and study for free, investing my free time to become better. Colorvision has provided me with ample opportunities to learn and grow as a designer. As a part-timer, I have been working there about five years, honing my craft in my leisure time.

## EDUCATION

### St. John's The Baptist HSS, Nedukkunnam— +2

August 2022 - March 2024

This course will equip me with computer-related skills and knowledge that can be applied in various fields of work.

### CCM HSS, Karikkattoor— SSLC

June 2021 - March 2022

This certification signifies that I have completed my higher education and acquired foundational knowledge in various academic disciplines.

## PROJECTS

### My Portfolio

My portfolio website showcases my skills as a web designer and developer with a collection of projects, blog and social media links.
